Lecture proposal

Ludovic Hubler Tour of the world by Hitchhiking

An amazing example of leadership and motivation

WHO IS LUDOVIC HUBLER ?

Ludovic Hubler is a social entrepreneur born on September 11th 1977 in Bar-le-Duc (France). At the age of 25, his Business Master degree in the pocket, believing that having a better understanding of the world was a pre-requisite before entering the job market, he started what he likes to call his "Life PhD", a doctorate where his teachers were not in classrooms but driving cars, trucks and boats.

A 5-year amazing journey, which also comprised several humanitarian experiences as well as the organization of 350 lectures in all types of institutions throughout the world.

In 2008, at the end of his journey, Ludovic published the award-winning book "Hitchhiking the world, a 5-year Life PhD", which summarized the learnings of the journey and of which several thousand copies were sold in various languages,

After 5 years working with the International organization Peace and Sport (www.peace-sport.org) under the High Patronage of HSH Prince Albert II of Monaco, Ludovic launched the Not-for-profit organization "Travel With A Mission", which objective is to increase cross-cultural understanding as well as access to education around the world.

He also gives many lectures in all types of institutions around the globe, some related to his vision of the world, some being more motivational and leadership oriented.

WHAT CONTENT?

Ludovic adapts his presentation to the audience and to the request of the "employer".

Inside companies, Ludovic insists on the challenges he had to overcome to complete his ambitious objective to tour the world using only his thumb and his personality, making a parallel between his journey and the business world.

During his talk, Ludovic takes his audience on a flying carpet, making them travel both geographically around the world but most importantly inside themselves. Energy and emotions guaranteed!

WHY INVITE HIM?

- ➡ **To give an amazing example of leadership and motivation:** Better than empty words, Ludovic brings an example of a life experience that inspires and brings energy!
- ➡ **To bring introspection :** Ludovic's talk makes people laugh, sometimes cry, but most importantly think: Going beyond limits, realizing dreams, achieving much with limited budget, contribute to the betterment of the world... Ludovic incites to action.
- ➡ **To have a good time and make people dream:** Traveling around the world, who has never dreamt of it? Ludovic's talk is filled with photos and pictures that will bring a sense of far away. You want to finish a meeting day on a nice note? Ludovic's talk is what you need.

The tour of the world entirely by hitchhiking completed by Ludovic is the first of its kind. But more than a feat, it is especially a wonderful human experience that will take you away!
